

Report on SDG1: No Poverty

Thaksin University, Thailand

13.3 Support for students from low-income families to enable them to complete university

Thaksin University (TSU) provides several scholarships and grants for the students. Some scholarships are funded by TSU or government, and some are funded by private sectors. This taken place due to collaboration and good relationship TSU has with our partners. Types of scholarships provided were divided into internal and external scholarships, with details as follows.
