

Report on SDG2: Zero Hunger

Thaksin University, Thailand

2.3.2 Student hunger interventions

Thaksin University organizes activities and projects to prevent or alleviate hunger among students; for example, "Energy Boost for Final Exams" Project held from March 20-30, 2023, and October 16-26, 2023, at Thaksin University Dormitory, Songkhla Campus, Thaksin University. to provide welfare and morale support to students residing in the university's dormitories at both the Songkhla and Phatthalung campuses during the final exam period. The service was provided once each semester.
